UnderSink Encapsulated Filter with Fittings
UltraSafe SS System™
Filtration System for Under 2.2 GPM

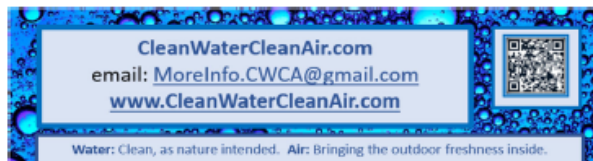

Quality Water on the Tap.

Our UnderSink Filter System is your clean water solution for you & your family. It creates healthy water for drinking, cleaning, and bathing. Our filtration system uses the same technology used by NASA. It filters water with no chemicals. The UnderSink Filter System creates healthy and great tasting water for your family to enjoy.

Purer Than Bottle Water

Saving the planet, replacing bottled water with UltraHome Filtration System.
