CLEANWATER

Our products resolve 99.9999% of water issues. We remove all toxins and pathogens down to 20 nm. Systems work on Well Water and Municipal Water. Add them piece by piece or all at once — easy plug-n-play.

Prettier Image,
coming...Image-CW1

Add hyperlink buttons – one each:

- (1) **Personal** – (2) **Residential** –
(3) **Commercial – Industrial - Municipal**

Image-CW1 – might be a video with running water sound. TBD

Our products resolve 99.9999% of water issues. We remove all **toxins, pathogens, parasites, cysts, spores, bacteria, pesticides, chemicals, pharmaceuticals, heavy metals, lead, mercury, arsenic, particulate uranium** down to 20nm and more.

Can we enlarge this font, so it is easier for all ages to read?

~~Does your home have poor water quality? Ever see a boil order? Have you properly tested your water for parasites, pathogens, virus, bacteria, spores, cysts, microplastics, PFAS, lead, mercury, arsenic, radon, asbestos, pesticides?~~

~~Improving your budget, reducing expenses, improving your health, eliminating significant chemical exposures, plastic bottle trash. One simple fix. CleanWater on tap, free and anytime in abundance.~~

~~We are the only product ACTUALLY removing toxins from the environment. Other products collect and release them in wastewater streams. We have no wastewater.~~

SIMPLE MATH

HOW IT WORKS

PERSONAL

CleanWater systems work on Well Water and Municipal Water. Add them piece by piece or all at once — easy plug-n-play. Our systems produce the cleanest water you have known, AND the restructuring into LivingWater makes it smaller – for instant hydration and ENERGY.

Read the Sports Teams' **Testimonials** ([hyperlink](#)). Our products add the nutritional value processed out in municipal processing, making it taste better. No chemicals. Just CleanWater.

~~Does your home have poor water quality? Ever see a boil order? Have you properly tested your water for parasites, pathogens, virus, bacteria, spores, cysts, microplastics, PFAS, lead, mercury, arsenic, radon, asbestos, pesticides?~~

~~Improving your budget, reducing expenses, improving your health, eliminating significant chemical exposures, reducing plastic bottle trash, reducing microplastics in you and your loved ones.~~

~~One simple fix. CleanWater on tap, FREE and anytime in abundance. We are the only product ACTUALLY removing toxins from the environment. Other products collect and release them back into wastewater streams.~~

We have no wastewater.
